ORDER

16-9-2009: Seen petition dated 28-8-2009 received from the Review Petitioner, Shri S.K.Singh.

According to the Review Petitioner, in response to his R.T.I. application for information on the grants-in-aid received from the Govt. of Meghalaya on behalf of the Madan Laban Nepali Secondary School, Shillong for the year 2003 – 2006 and credited in the Bank Account of the School, the Respondent-PIO, M.C.A.B., Shillong Branch furnished three different statements and, therefore, he is not in a position to know which one is true and which one is false. He, therefore, required certification from the Bank which information is true and which is not true and also for awarding penalty to the P.I.O. of the Bank for furnishing wrong information.

The Commission had already reviewed the matter and vide Order dated 27-7-2009 had asked the Respondent-PIO to explain the discrepancies. In compliance to the above Order, the Respondent-PIO had vide letter No.MCAB/HO/ADMN/RTI/SKS/09/58-59 dated 3-8-2009 furnished a detail statement of accounts explaining some of the discrepancies which occurred in the earlier statements furnished by him.

Copy of the detail statement fully authenticated was also furnished to the appellant. The Commission sees no reason to doubt the correctness of the authenticated statement furnished by the Respondent-PIO vide the above

letter dated 3-8-2009 and there is no reason for interfering with this Commission's Order dated 17-8-2009.

Petition rejected.
